

## ESCAPE

The Youth Group for 11- 15 year olds has restarted. We have had a couple of great sessions so far, but are a little low on numbers to take on some bigger activities!

Who can you think of that would benefit from this group?

Speak to Neil Clarke, Rachel Bosworth or Duncan Balcon for more info.

Holy Lord,

We pray for your servants Jim and Maureen.

We thank you for all the many blessings they have delivered during their time in Desborough, and pray that you continue to guide and protect them in the next step of their journey with you.

Renew them, inspire them, deliver them and strengthen them, bringing them ever closer to you  
Amen

**Sermon summary - we are all being formed by something.**

What is forming you? Are you becoming more like Jesus? To help prioritise that we need to take account of the following (do discuss in your house groups and commit to practices and intentions together for the next month):

\* Counter the stories we believe with biblical teaching. Good teaching undermines the stories you believe that aren't true. How might you do that? How about prioritising Sunday worship and in particular this new sermon series. Can you develop a new practice of bible reading?

\* Counter our habits with practicing the way of Jesus. This has to be lifelong. The practices of Jesus do something to us - change our hearts and longings. But we need to do this training in the context of community. Are you engaging with the practices in this series? Have you joined a house group so you can be part of the journey with others?

\* Counter our relationships with community. Community does exposure and encouragement. Brings out the best and worst but also loves. Have you joined a house group?

\* Counter our environment with the Holy Spirit - keep practicing being with Jesus. Spending time abiding in his presence daily. Have you engaged the recent practices we've explored in this sermon series to help you abide in Jesus?
