REDEEMING OUR COMMUNITIES (ROC)

An important and exciting event is taking place in Northampton on 21st November called ROC (Redeeming Our Communities), run by Debra Green OBE. This event will kick-start community action across the county and introduce the work Northamptonshire Police will commence in January to target gangs in our community.

Please see the following link for a video of a similar event which took place in Leicestershire <https://vimeo.com/99124703> . Some smaller follow up events are planned in the New Year across the country to build on the event in Northampton.

Whilst the event is held in Northampton it will have an impact on the entire county.

You can find out more about ROC here: <https://roc.uk.com>

At the event will be Chief Constable Nick Adderley, Police and Crime Commissioner Stephen Mold and High Sheriff James Saunders.

The event runs from 7pm – 9pm prompt at Franklins Gardens, Northampton (Saints Ground).
To register your place please visit: www.roc.uk.com/northants Tickets are free but space is limited.
