

CORNERSTONE METHODIST CHURCH CORBY, 11th MARCH 2018

Welcome to our Morning Service which is conducted today by Ruth Fitch.

We are asked to pray this morning for Central Methodist Church, Kettering.

The offering last Sunday amounted to £150.00.

See the notice board for details of Andrew Cook's Sponsored Canoe Marathon in aid of Alzheimers UK/Air Ambulance on 31st March.

Also on the notice board there are details of a Weekend at Willersley Castle Derbyshire in July.

The new Circuit website is now live at **www.ketteringcorbymethodists.org**
This is a slightly different address to the old site but if you get to the old site by mistake there is a link to take you to the new one. It is the aim to eventually move our website to this same platform where currently we have simply a church page. The website has circuit news and publications such as the current plan plus calendars for all the churches in the circuit including Cornerstone. Also some great pictures of the area.

A prize for the first person that gets the location for them all correct! - A free biscuit.
