Wisdom of Solomon, chapter 7, vs 26-28

*For she is a reflection of eternal light, a spotless mirror of the working of God, and an image of his goodness. Although she is but one, she can do all things, and while remaining in herself, she renews all things; in every generation she passes into holy souls and makes them friends of God, and prophets; for God loves nothing so much as the person who lives with wisdom.*
