## Calling all Gardeners

Tim and Hannah (and the A team under Neil's guidance) are working hard to restore the vicarage garden to some semblance of order before they move in in July. Several folk have kindly offered to come and help further for which we are immensely grateful.

Please join us **with your gardening tools** (spades trowels shears) on Saturday 25<sup>th</sup> May for an afternoon of gardening 12.00 pm – 5.00 pm. Bring your own packed lunch (or have an early lunch before you come) but please then stay for a thank you BBQ at the end of the afternoon. Please let us know if you are coming for catering purposes.

A team of cooks and helpers is needed to prepare for **"The Big Brekkie"** on Sunday 19<sup>th</sup> May 8- 9.30 am, to raise money for Christian Aid. Please let Carolyn Rice know ASAP if you can help.

It is with great sadness that we must announce the passing of **Geoff Hawkrigde** on Wednesday 1<sup>st</sup> May.

The funeral will be held at St Giles Church on **Thursday 16<sup>th</sup> May at 12.30 pm** Followed by refreshment at The Waterfront, Union Warf, Market Harborough, LE16 7UW

## A united service of celebration! Sunday 9<sup>th</sup> June, 4pm at the URC

We will be joining with the other churches in the town to celebrate together and pray for our town. The service will be all age friendly, and a great way to end our various events between now and Pentecost Sunday as we join with the other churches to pray 'Thy Kingdom Come'. Wouldn't it be great if more people in Desborough, including your family and friends, came to know the transforming power of the love of God in their lives? In essence that is what we're praying when we say the words 'Thy Kingdom Come'. There will be other events going on during the week before to help us pray for our family, friends, neighbours and town, and this service will bring everything together in celebration. Please do come along!

A huge **thank you** to those of you who have completed the survey for my research project into the expectations of ordained ministry. To those of you who still have a survey, please could you return it by Sunday 19<sup>th</sup> May at the latest. There is a collection box in the lobby of the community centre. Please put in one consent form and keep the other. To keep things anonymous, the survey and the consent forms need to be separate. I hope to share a brief reflection on the research over the summer.
